RISE OF THE NETHERSPAWN:

Fulfilling the wishes of The Collector, a primordial monster known as The Ganoga will summon the twins, FEAR and TERROR, to lead an invasion of hideous creatures from the NETHERWORLD! Bone-crunching Berserkers and flesh-rending Rabid lead the charge, hidden deep within the swirling mists and flashing lightning of a colossal storm of shadows! Will the maelstrom conceal the crawling horrors from their helpless victims, or will they glimpse the RISE OF THE NETHERSPAWN in time to flee for their lives?

Featuring: The Storm of Shadows, Trapped in the Wreckage, the Fisherman's Nightmare, Eaten by the Old Ones, the Collector's Crypt, the Starving Skull, the Jaws of Fate, the Swamp of the Lost, the Maggots of Madness, the Rage of the Rabid, the Berserkers Revenge, the Goblin Horde, the Court of the Warlord and the Soul Eater Unleashed! Twenty-five years of never-ending nightmares culminates in this apocalyptic festival of destruction as guests witness the RISE OF THE NETHERSPAWN!

RETURN TO PLANET X:

In the secret base known as the BOX, an experiment gone wrong has broken down the very fabric of time and space releasing bizarrely colorful mutagenic energy through dimensional gateways all over the facility! Weird, malevolent life forms stalk victims throughout the complex and the very fabric of reality is crumbling. Exobiologist, Dr. Otto Gloman, has gone into the rift equipped with a powered space suit, to stop the horror and force it to RETURN TO PLANET X in 3D! Guests will put on special 3D glasses and help him defeat this bizarre invasion before it consumes the entire planet.

Featuring: The Ghastly Gloaming, the Horror of the Hunes, the Malevolent Mutations, the Power of the Pyramid, the Secrets of the Serpent Men, the Paradox of Planet X, the Revenge of the Reptilians, the Primal Polymorphs, the Color Out of Space, the Mega Xeno Arthropod and

the Nightmares from Beyond Time! Those who are brave enough to join the daunting mission will be pressured to retain a fragile grip on reality while viewing this world of horror through 3D glasses as they RETURN TO PLANET X.
