ATLANTA: Today [Harry Norman, REALTORS®](#) announced the opening of its first location in the Tri-Cities area. This office is a collaborative venture of Harry Norman, REALTORS® and Above the Line Properties, LLC.

The Harry Norman Aerotropolis office location was thoughtfully chosen to be at 3775 Main Street, College Park, and is adjacent to the College Park MARTA station and to Hartsfield-Jackson International Airport providing convenient access to both local and international clients. In addition, the choice to reside in a renovated historic building demonstrates a sign of respect and appreciation of the past.

Hapeville, East Point and College Park are known as Atlanta’s Tri-Cities. “Being in the heart of the Tri-Cities growth and acting as an active community partner in this vital area is important to us,” stated Jenni Bonura, President & CEO of Harry Norman, REALTORS®. “It is the right time and right place to expand our service offerings in metro Atlanta, and there is an exciting market in this area we strive to serve.”

Harry Norman, REALTORS® connectivity to this area precedes the office opening. Carol Cahill, Principal of Above the Line Properties, is a strong advocate for the community playing an active role in her neighborhood, local business groups, and the Economic Development offices in each city. In addition to working with many investors, buyers, and sellers in the area, Cahill has developed close working relationships with local business owners, developers and film studios, and plans to strengthen existing ties to Delta and other Fortune 500 companies headquartered here.

“Being a resident myself and having a significant portion of my business here due to the film industry and the ripe opportunities for developers, it was only natural to open an office in my community,” said Cahill. “I love the small town feel and especially the progressive, artsy vibe of the Tri-Cities. Above The Line Properties is proud to be a part of Harry Norman’s exciting venture into this vibrant area.”

The Above The Line Properties team has already secured major projects, including several commercial adaptive reuse sales and the Miller Lowry Development townhome community in Hapeville that will be ready for delivery in early 2021.

With the Aerotropolis office opening, Harry Norman REALTORS® brings the unbeatable service and expertise it’s known for, right to the current and future residents inside I-285 on the Southside.
